

NYB REMAINS OPEN FOR BUSINESS

Supporting Each Other, Working Together

Photos taken April 8, 2020
in nyb's New Castle, PA facility.

As the COVID-19 outbreak continues to impact our surroundings, The New York Blower Company continues its commitment of bringing our customers critical work related services and solutions in order to remain operational during these difficult times. Whether it is answering a simple fan related question, discussing a complex fan application or expediting a critical fan (or fan component), nyb's employees and representatives remain committed to serving customers worldwide.

To contact your local representative, please go to <https://www.nyb.com/find-a-representative/>.
For 24 hour emergency support, please call 833.435.7692.

Not sure who to contact, please call 800.208.7918 or go to <https://www.nyb.com/contact-us/>
for assistance from one of nyb's Sales Management team members.

SUPPORTING ESSENTIAL BUSINESSES

We are continuing manufacturing operations in all our US locations, while practicing social distancing and all other recommended practices put forth by the CDC.

We are expediting parts for companies in the critical infrastructure industries.

We are performing field service to keep essential businesses operational.
